and efficiency in
working.

STARS OF THE MONTH

Mr. Raushan Kumar Keshri is honored with his First cheque of Rs. 1 Lakh for his outstanding accomplishment in clearing the First Class Mine Manager's Certificate of competency

TMC believes that safety is not just a priority but a core value that guides our daily operations. We honor Mr. Techchand Rout, Mr. Prakash Khutey, Mr. Nagendranath Nishad, Mr. Gaya Prasad Panika, Mr. Surendra Kol and Mr. Adarsh Jaiswal from Team Bicharpur who have consistently upheld the highest safety standards.

COMMUNITY CONNECT

Our Sial Ghogri coal mine came alive with the spirit of Navratri.

Team Churcha came together to take a meaningful pledge on World Health & Safety Day, underscoring their commitment to foster safety and health for all.

COMMUNITY CONNECT

A significant effort towards environmental conservation, team Gare Palma IV/7 site has newly planted 12,000 young trees, featuring self-watering system.

A pooja ceremony was held, invoking blessings and auspicious beginnings for the new guest house at our Jhilimili location. The ceremony was attended by employees, symbolizing unity and shared purpose within our organization.

DMS Mr. Altaf Hussian Participated in our Pit Safety Committee Meeting at Sial Ghogri Mine and actively interacted with our employees and conducted safety inspections, reinforcing our commitment to maintaining a safe working environment.

TECH TRENDS OF TMC

We are delighted to share that the much-anticipated CM package consisting of One Continuous Miner and Two Shuttle Car & One Load Haul Dump has arrived at Haldibadi Project. This state-of-the-art equipment represents a major step forward in our commitment to enhance operational efficiency and productivity.

The team is eager to commence work and we are confident that this new addition will greatly benefit our operation. This package will not only streamline our processes but also ensure higher safety standards and better resource management.
