Top Accolades: Year's Best Projects

Best Open Cast Project - Gare Palma IV/7 OC Coal Mine

Best Underground Project - Bicharpur UG Coal Mine

Best Innovative Minds 2024 - Team Bicharpur

Honoring our Best Projects Of the Year demonstrating outstanding innovation, exceptional safety standards, and a commitment to sustainable mining practices in Smeeral 2024

Crystal Jubilee: Marking 15 Years of Success

In SMEERAL 2024, we had the profound privilege of honoring our three remarkable individuals

1. Mr. Manish Patel - Sr. Manager (HR & IR)
2. Mr. Naveen Singh - Sr. Supervisor (Mining)
3. Mr. Ramesh Singh - Sr. Officer (HR & Admin)

who have dedicated their 15 years of exemplary service to the TMC Group. This milestone reflects their exceptional work ethic, and relentless pursuit of excellence. The TMC Group extends heartfelt appreciation to each of them for their invaluable contributions. Over the years, these employees have not only contributed to the growth and success of our company but have also embodied the core values that define our organization.

May Highlights: What's New and Noteworthy

In May 2024, Team Gare Palma IV/7 excelled by producing a record-breaking 285,000 MT of coal and dispatched 240,000 MT.

Mr. T.C. Saraf (Consultant-SEML), shared his expertise on Mine Safety with our Gare Palma IV/7 supervisory team.

Training Man Hours under TMC L&D Centre in May 2024:

| | |
|-------------|--------|
| Bicharpur | 480 MH |
| Sial Ghogri | 441 MH |
| Churcha | 362 MH |

Our Commercial team recently visited South Africa to explore new business opportunities, focusing on deeper collaborations and innovative solutions to enhance our productivity.

Elevating Excellence: TMC's Key Members Embrace New Roles

1. Mr. Vishwajeet Kumar as Cluster Head (All SECL Projects)
2. Mr. Saurabh Maitra as Cluster Head (all Private UG Projects) & Safety Head of TMC Group.
3. Mr. Indrajeet Kumar as Project Head (Bicharpur)
4. Mr. Gaurav Jha as E&M Head (Bicharpur)

Revolutionizing Our Sites: May Innovations

Team Bicharpur has ingeniously designed a rack for the proper storage of chain blocks, ensuring secure and organized storage.

Team Bicharpur creatively built a hydraulic test bench from repurposed scrap material. This valuable tool is for ensuring the performance of all hydraulic equipments

Joyous May: Occasions and Birthdays

Driving Positive Change: CSR Activity

Under the TMC CSR program, we are proud to announce the completion of a concrete road in Gopal Gaushala in Kacche Mine. This initiative is a significant step towards improving local infrastructure, ensuring better accessibility, and enhancing the quality of life for the residents.
