Liveliness:

The energy, vibrance, and joy that defined our night.

May 2025 Highlights

Victory for Sial Ghoghri Team!

Our Sial Ghoghri team achieved a proud milestone by securing the Overall First Prize in the Private Underground Mining category. This remarkable achievement is a testament to their hard work, excellence, and team spirit.

DDMS Electrical Visits Gare Palma IV/7!

DDMS Electrical conducted an insightful visit to the Gare Palma IV/7 Coal Mine, reviewing site operations and electrical systems. The visit provided valuable guidance for enhancing safety and efficiency.

Achievement Rewarded

Mr. Raushan Kumar was awarded his second cheque of ₹1.5 lakh in recognition of earning his First-Class Competency Certificate, marking a significant step in his professional journey.

5S Journey Begins at Gare Palma IV/7

Gare Palma IV/7 Coal Mine has officially embarked on its 5S journey, aiming to enhance workplace organization, safety, and efficiency through systematic implementation of the 5S principles.

Powering Progress:

SDL Overhauling and Transformer Installation

SDL Overhauled to Perfection

Team Sial Ghoghri successfully overhauled an SDL machine, restoring it from a rusted, non-operational state to full working condition. Their dedication and technical expertise brought new life to critical equipment, boosting operational efficiency on-site.

Transformer Installation at Jhilimili

A new transformer was successfully installed at the Jhilimili site, enhancing power reliability and supporting smooth operational activities. This upgrade marks a key step in strengthening site infrastructure.
